

CHERRY GREEN TREES

'Cherry' is the camp site belonging to the Finchley and Friern Barnet and Southgate Division Guides. Located near the village of Colney Heath in Hertfordshire it comprises of approx 9 acres of land (4 acres of meadowland and 5 acres of woodland).

In order to help you and others enjoy your stay we provide the following information:

Arrivals/Departures: Arranged at time of booking, with Booking Secretary. Changes should be advised asap to the Site Manager or Booking Secretary.

Activities:

Available for your use is a supply of games equipment, balls, ropes, hoops etc plus rounders equipment and other large lawn games including Connect 4 and a parachute.

The '**Hideaway**' found just inside the woods is a nature activity centre and provides a variety of books and equipment.

Just in the woods towards the bottom of the field are the '**Cherry Tunnels**' an activity for the girls to have fun finding their way through. On arrival, please let the Caretaker know if you are planning to use.

Dress: It would be nice if appropriate dress was worn by young people, which allows easy identification (Brownie yellow/brown and Guide blue etc).

Electricity: This is currently included within the fees.

Horses: Please discourage those on site from feeding the horses that graze in the neighbouring fields, as fences can be broken.

Insurance: Cherry Green Trees Joint Committee cannot accept any responsibility for the loss or damage to any personal property.

Parking: there is space for residents' vehicles on site. Please park sensibly and with consideration to others. No vehicles are allowed to park on the grass without permission.

Vehicles: Coaches, buses and lorries are **NOT** allowed on the access road (the approach lane to the site). Please **DO NOT** inconvenience our neighbour the farmer by parking in the farm driveway, but unload on the road.

Visitor's Book: Available if you wish to make an entry.

Defibrillator: Field side and housed in the 'bungalow' toilet (green door) on side of Bungalow.

Souvenir and Tuck Shop

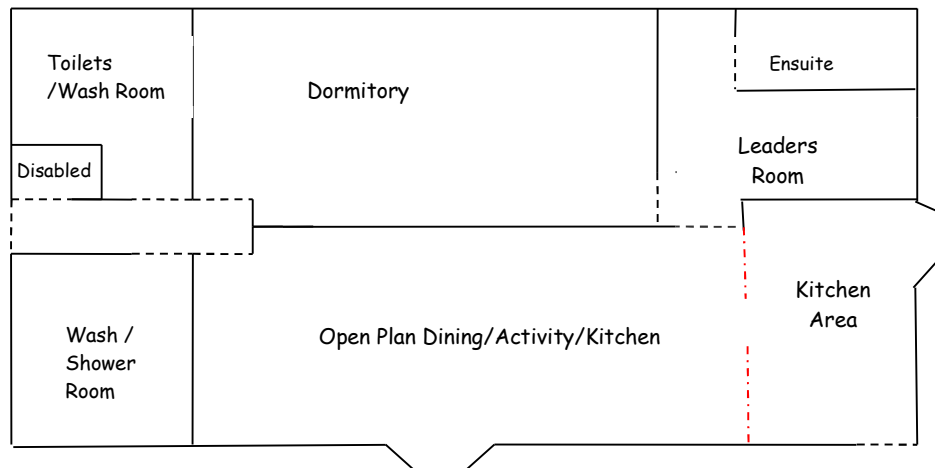

The Shop is opened by arrangement with the Site Manager. It has a supply of Site Souvenirs, badges and other items for young people.

Your support is always appreciated.

There is a solid shelter on each site, housing cooking equipment, camp tables and benches, brooms and other items.

There is a working surface for food preparation. They are able to be used as a wet weather shelter or craft centre.

Site 3, The Warren

Kit End/Camp Store:

Found between the Lodge and Bunkhouse for Campers use. Equipped with fridges, freezers, 2 ovens and a hob, kettles, a microwave and a toaster. Please leave clean and tidy.

Tentage, (ridge and lightweight) poles and pegs are housed here too plus gazebos and marquee tents and spare equipment. If used please leave them clean and dry.

Patrol Cooking Equipment (6 sets) is also available, please liaise with other campers on site regarding use.

Washing:

Oasis: there are 4 toilets (1 disabled), 6 cubicles, 2 hand driers and 2 shower rooms. Please remember to turn off the lights.

Water Hole: there are 4 toilets and 2 hand basins, with cold water only.

The Door on the Bungalow (field side), houses a Leader or Gents toilet and a hand basin with cold water only. This facility can be used as an isolated male wash room. It also houses the on site defibrillator.

Toilet rolls are provided. Please ensure that the facilities are regularly cleaned and floors swept or mopped and sani bins emptied before you leave.

Cleaning materials are available in the Oasis and Waterhole.

General Camp Site Notices:

Keys: On arrival you will be handed the keys to the Camp Store (Kit End) by the Caretaker or committee member who will see you on and off the site and to whom the keys must be returned to before you leave.

Please lock the main gates at night, although we recommend that they are locked during the day.

Tentage: Campers are expected to make good any damage to tentage and equipment whilst in their care. All tents must be thoroughly dry when put back onto the racking. In the event of a wet strike please consult with the Caretaker. Tents can be left up or hung in the solid shelter on site 2 (if not in use) and you are expected to return at a later date to fold the tents when dried and store as detailed above.

Please notify the on-site contact of any damage or irregularities.

Fires: there are at least 2 hardstanding fireplaces on each site. Please use these for any fires on site. Bricks can be found at each fireplace (please leave in baskets provided on the fireplace when finished). Crates, metal sheets and grids are available in the sheds in the woods alongside metal water bins, please return after use. Please avoid making fires directly on the fireplace as this damages the concrete and brick - please use the metal sheeting provided.

Woods: Please do not cut or damage the trees. There is usually wood to collect in the woods and the adjacent bridle path, although it is advisable to bring some with you.

Please do not light fires in the woods.

The **Camp Fire Circle** is available for all campers.

Please avoid using the concrete path around the Lodge and the grass immediately in front of it up the flag pole as this is for Lodge residents only. We ask that you walk around when going to the Camp Store (Kit End).

Any onsite Emergencies should be reported to the Caretaker or Site Manager.
